Dear Pip

**DONATION OF MEDICAL SUPPLIES AND EQUIPMENT TO THE NOKOR TEP
WOMEN'S HOSPITAL**

Please accept this letter of thanks for the recent container that Osborne Park Rotary Club has sent to the Nokor Tep Womens Hospital in Cambodia. We anticipate it will be in Cambodia before the end of the month.

It is with the support of clubs such as yours that the Hospital, which began seeing patients this week, will be a success. Thank you for helping us with our journey in bringing proper health care to the women in Cambodia. We look forward to our continued relationship with Rotary and in particular with the Osborne Park Chapter.

Regards
